Guapa, how I would like to share our first Christmas as boyfriends with you, I promise you that next year I will do everything to make sure that we are not separated during this special time. On the meantime, I hope you are enjoying your family and that you are having a great time. I know that this recently days has not been the easiest, but every day that passes brings us a little closer Merry Christmas, thinking of you and loving you. Enjoy your family, and I'll see you soon.
